Florida Friendly Plants for the Three Foot Areas

We want everyone to have great looking plantings, but more important, it is essential that the plantings be "Florida Friendly". This means that they will not cause harm to the environment, and our buildings and drainage systems won't be harmed by aggressive roots.

The following plants are approved for the three foot area. Other plants may also be appropriate but will have to be pre-approved by the Board's Grounds Chair.

The approved plants are listed below, our guidelines are drawn from the Guide.

In the Plant Selection and Landscape Design Guide (copy available in the Clubhouse)

Page 64	Aloe, Natal Plum (dwarf variety only), Bush Daisy
Page 65	Ixora, Lantana, Dwarf Indian Hawthorn
Page 70	St Bernard's Lily, Perennial Peanut, Cast Iron Plant, Holly Fern
Page 71	Blue Daze
Page 72	Trailing Lantana, Lirope, Powderpuff Mimosa, Dwarf Liriope
Page 73	Small Leaf Confederate Jasmine, Asiatic Jasmine, Periwinkle, Florida Zamia
Page 75	Muhly Grass, Cordgrass, Florida Gama Grass
Page 83	Lily of the Nile
Page 84	Wax Begonia, Blackberry Lilly
Page 85	Bulbine, Caladium, Periwinkle, Coreopsis
Page 86	Firecracker Flower, False Heather, Flax Lily, African Iris
Page 87	Blanket Flower (wild flower garden)
Page 88	Ganzania, Gloriosa Lily, Beach Sunflower, Heliconia
Page 89	Impatiens, Shrimp Plant
Page 91	Walking Iris, Golden Shrimp Plant, Pentas
Page 93	Coleus, Porterweed, Stoke's Aster, Society Garlic, Rain Lily, Zephyr Lily

Soil conditions, sun, salt and drought tolerances are all specified in the book.

Earlier we had supplied you with a list of plants. Some of these are not native, but are still acceptable in the three foot area. These include:

- Firecracker
- Foxtail ferns
- Purple queen
- Other grasses

Also good are the **dwarf or compact** versions of:

- Gardenia
- Azalea
- Hibiscus
- Flax lily
- African iris
- Ixora maui
- Firespike
- Croton
- Virburnam

Please check soil conditions, sun, salt and drought tolerances when purchasing your plants.

Any plants not on the list must be pre-approved.
